Airframe Capability list

Date : May 23,2022

This list has been prepared in accordance with the Airtech RSM/QM. Technical data available through the owner/ operator of the aircraft.

Aircraft	Limitations
Airbus A300 Series	Line Maintenance, minor inspections, A and B Checks and alterations IAW manufactures data or other data approved by the administrator.
Airbus AS/SA365 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Beechcraft 35 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Beechcraft 36 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Beechcraft Baron 55,56,58 Series	Limited to 91.411 and 91.413 Certifications IAW manufactures data or other data approved by the administrator.
Beechcraft King Air 90	Inspection, repair, maintenance and alterations IAW manufactures data or other data approved by the administrator.
Beechcraft King Air 100	Inspection, repair, maintenance and alterations IAW manufactures data or other data approved by the administrator.
Beechcraft King Air 200	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Beechcraft King Air 300/350	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Beechcraft 1900 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Boeing 737 Series	Line Maintenance, minor inspections, A and B Checks and alterations IAW manufactures data or other data approved by the administrator.
Boeing 757 Series	Line Maintenance, minor inspections, A, B, C Checks, alterations IAW manufactures data or other data approved by the administrator. **C- Check level inspections approved only at KHGR under workaway authorization letter dated May 18,2021 .
Boeing 767 Series	Line Maintenance, minor inspections, A and B Checks and alterations IAW manufactures data or other data approved by the administrator.
Boeing 777 Series	Line Maintenance, minor inspections, A and B Checks and alterations IAW manufactures data or other data approved by the administrator.
Boeing 787 Series	Line Maintenance, minor inspections, A and B Checks and alterations IAW manufactures data or other data approved by the administrator.
Bombardier CL-300 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.

Bombardier CL-601,604,605	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier CL-800 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier CRJ 100,200	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier BD700 Series , XRS	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier Learjet 31	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier Learjet 35/36	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier Learjet 40/45	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier Learjet 55	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Bombardier Learjet 60	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna 150	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator
Cessna 152	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator
Cessna 172 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator
Cessna 182 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator
Cessna 200 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator
Cessna Caravan 208 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna 337 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator
Cessna 414,421 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator
Cessna Citation 525	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna Citation 525A	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna Citation 525B	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna Citation 550 Series	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna Citation 560,Encore,Ultra,XL/XLS	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna Citation 650	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna Citation 680	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.
Cessna Citation X	Inspection,repair,maintenance ,and alterations IAW manufactures data or other data approved by the administrator.

Cirrus SR Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
De Havilland DHC-8 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Embraer ERJ-135, 145 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Embraer Legacy 600, 650 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Embraer Legacy Phenom 100 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Embraer Legacy Phenom 300 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Falcon 10	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Falcon 900 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Dassault Falcon 2000/2000EX	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Dassault Falcon 7X/8X Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Diamond DA-20 / 40 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Falcon F1	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Fairchild-Dornier 328 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Found Aircraft E350	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Grumman Tiger AA-1, AA-5 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Gulfstream G-100/150/SPX/200/280	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Gulfstream GIII	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Gulfstream GIV/G450	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Gulfstream GV/G550	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Gulfstream 650 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Hawker/Beechcraft 400, 700, 800, 900, 1000 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Piaggio P.180 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Pilatus PC-12 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.
Piper PA 27	Limited to 91.411 and 91.413 Certifications IAW manufactures data or other data approved by the administrator.
Piper PA 28 Series	Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.

Piper PA 31 Series

Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.

Piper PA 34 Series

Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.

Piper PA 42 Series

Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.

Piper PA 46 Series

Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.

Robinson Helicopter R44 Series

Limited to 91.411 and 91.413 Certifications IAW manufactures data or other data approved by the administrator.

Robinson Helicopter R22 Series

Limited to 91.411 and 91.413 Certifications IAW manufactures data or other data approved by the administrator.

Bell Helicopter 206 Series

Inspection, repair, maintenance, and alterations IAW manufactures data or other data approved by the administrator.

Bellanca Super Viking 17-30 Series

Limited to 91.411 and 91.413 Certifications IAW manufactures data or other data approved by the administrator.

Accountable Manager

A handwritten signature in black ink, appearing to read "M. Isham", is written over a horizontal line.

Powerplant Capability list

Date : May 23, 2022

This list has been prepared in accordance with the Airtech RSM/QM. Technical data available through the owner/ operator of the aircraft.

Powerplant	Limitations
AiResearch TPE-331	On-wing maintenance
Allison 250 series	On-wing maintenance
Continental E225 series	On-wing maintenance
Continental 240 series	On-wing maintenance
Continental 300 series	On-wing maintenance
Continental 470 series	On-wing maintenance
Continental 520 series	On-wing maintenance
Continental 550 series	On-wing maintenance
Continental 580 series	On-wing maintenance
CFM 56 Series	On-wing maintenance
GE CF34-2B	On-wing maintenance
GE CF34-3A	On-wing maintenance
GE CF34-3B	On-wing maintenance
GE9x Series	On-wing maintenance
GE90 Series	On-wing maintenance
Honeywell TFE731-2	On-wing maintenance
Honeywell TFE731-20	On-wing maintenance
Honeywell TFE731-40	On-wing maintenance
Honeywell TFE731-50R	On-wing maintenance
Honeywell TFE731-60	On-wing maintenance
Honeywell TFE731-3A-2B	On-wing maintenance
Honeywell TFE731-3B-100S	On-wing maintenance
Honeywell TFE731-5AR1C,-5BR	On-wing maintenance
Honeywell HTF250G Series	On-wing maintenance
Honeywell HTF7000 Series	On-wing maintenance
IAE V2500 Series	On-wing maintenance
Lycoming 235 Series	On-wing maintenance
Lycoming 320 Series	On-wing maintenance
Lycoming 360 Series	On-wing maintenance
Lycoming 540 Series	On-wing maintenance

Pratt & Whitney 100 Series	On-wing maintenance
Pratt & Whitney 300 Series	On-wing maintenance
Pratt & Whitney 530A	On-wing maintenance
Pratt & Whitney 535E Series	On-wing maintenance
Pratt & Whitney 545C	On-wing maintenance
Pratt & Whitney 600 Series	On-wing maintenance
Pratt & Whitney 615F	On-wing maintenance
Pratt & Whitney PT6A Series	On-wing maintenance
Pratt & Whitney JT15D Series	On-wing maintenance
Pratt & Whitney PW2000 Series	On-wing maintenance
Pratt & Whitney PW4000	On-wing maintenance
Pratt & Whitney PW6000 Series	On-wing maintenance
Rolls Royce Trent 800 Series	On-wing maintenance
Rolls Royce Trent 1000	On-wing maintenance
Rolls Royce Tay 611-8 Series	On-wing maintenance
Rolls Royce RB.163 MK 511-8	On-wing maintenance
Rolls Royce RB211 Series	On-wing maintenance
Rolls Royce BR700 Series	On-wing maintenance
Rolls Royce AE3007-A1,A1E,A1P	On-wing maintenance
Turboméca Arriel 2C Series	On-wing maintenance
Williams Int'l FJ44-1A, -1AP	On-wing maintenance
Williams Int'l FJ44-2C	On-wing maintenance
Williams Int'l FJ44-3A, -3124	On-wing maintenance
